**The birth of Jesus Christ changed the world
2,000+ years ago.**

**Today, Disciples of the Way works to share
Christ, the gift of Christmas that keeps on giving to
All People from All Nations.**

The Gospel of Jesus Christ transforms lives!

On December 8th, DOW held a Mothers and Children Christmas Program.

Unto Us a Child is Born!!!

"For unto us a Child is born,
Unto us a Son is given;
And the government will be upon His shoulder.
And His name will be called
Wonderful, Counselor, Mighty God,
Everlasting Father, Prince of Peace."
- Isaiah 9:6

The Birth of Christ changed the world and continues to transform lives. Muslims recognize Jesus as a great prophet and teacher, while Christians know him as Our Lord and Savior who is God incarnate.

Wonderful, Counselor, Mighty God!!!

Disciples of the Way celebrated Christmas by inviting Refugee Mothers with young children to come hear the Story of Christmas and receive a gift to share the news that God has given us the best gift of all.

Christians experience overwhelming love from Our Father because of Jesus' perfect forgiveness. Muslims do not call Allah their father. Allah's love is seen as ever changing and based on unattainable good works. Muslims have not experienced the overflowing love of God that spills into love for our neighbors.

Disciples of the Way seeks to demonstrate the Love of God and how this love has a dramatic impact on how we love our neighbors. DOW seeks to teach our Refugee Neighbors to pass the Love they receive on to their neighbors.

Mursal, the Friday Volunteer sewing Leader, and her students made small fabric bags to hold the children's gifts. DOW filled these bags with a book telling the Christmas story, an Arabic Children's Bible, and a stuffed animal. At the celebration on December 8th, these sewing women helped hand the bags out to the children and blessed the Mothers with gifts they had made from the generous fabric donations share with DOW by so many congregations, LWML and Bible Study groups.

Pastor Badaoui told the story of Christmas and told about the Love of God that sent Jesus Christ to save everyone from sin so they can live with God.

For God So Loved the World!

"For God so loved the world, that he gave his only Son,
that whoever believes in him should not perish
but have eternal life."

- John 3:16

The Love of God is especially important to refugee and immigrant women because they often feel isolated and unappreciated in their homes. Disciples of the Way seeks to bring these women out into community and fellowship so that they can see the light and love of God in their lives through people who are filled with the light and love of God.

This Christmas season, Disciples of the Way asks for your prayers that God would embrace these women with his love and comfort so that they may boldly step into the forgiveness of Christ Jesus, the babe in the manger.

Pastor Badaoui gives the departing blessing to the Mothers and Children.

***"The Lord bless you and keep you;
the Lord make his face to shine upon you
and be gracious to you;
the Lord lift up his countenance upon you
and give you peace."
- Numbers 6:24-26***
