Disciples of the Way held graduations for both our ESL and Computer classes this month. DOW is proud of the hard work that has brought these students so far.

DOW offers free computer classes for refugees seeking to gain useful skills for life in America. The computer classes will resume July 18th. Our free ESL classes resumed on Monday, June 17th for the Summer Semester.

and to work with your hands, as we instructed you."*

American Values Class: Culture of Christian Values

Recently, DOW began a new conversation class which discusses American values and culture.

This interactive class has many fun and exciting topics planned, including discussing the values of individual freedom, self-reliance, & equality and discussing American attitudes about caring for the elderly, treatment of the disabled, the justice system, & death and dying.

Students want to take this class to help them assimilate into American culture. Disciples of the Way seeks to help refugees and immigrants adapt but also to enter into deeper conversation by discussing spiritual concerns and differences in how people view the world. Christians can share the Gospel in many different ways and situations. DOW prays that God guides these conversations into discussions with eternal significance.

"So, whether you eat or drink, or whatever you do, do all to the glory of God." - 1 Corinthians 10:31

Arabic Language Class

DOW is excited to begin equipping American Christians to reach out to Muslims effectively through Arabic language classes.

Jesus, the light of the world, came to bring a relationship with God to people who lived in spiritual darkness. Jesus became a human and was born into a family and spoke the language of the people as he taught the truth.

***"In the same way, let your light shine before others,
so that they may see your good works
and give glory to your Father who is in heaven."
- Matthew 5:16***

Speaking the same language is the first step in effective communication. While it is important for refugees and immigrants to learn English, this class is primarily about building relationships. Sharing a language breaks down barriers to friendship and gives respect and honor to our friends.

God has brought the Muslim world to Dallas and it is our responsibility as Christians to love them with the unconditional love of God through genuine relationships and share with them the reason for the hope that we have in Christ Jesus (1 Peter 3:15).

***"And he made from one man
every nation of mankind
to live on all the face of the earth,
having determined allotted periods
and the boundaries of their dwelling place,
that they should seek God,
and perhaps feel their way toward him
and find him.
Yet he is actually not far from each one of us"
- Acts 17:26-27***
