

Disciples of the Way Ministries

A mission of the Lutheran Church Missouri-Synod

Disciples of the Way staff are honored to visit with refugees in their homes and discuss daily life. Relationships are built in humble life-sharing moments.

The Beauty of Fellowship

The feeling of isolation is common to refugees and spending time with them is an incredible gift which demonstrates that someone cares about them. Relationships are built and strengthened through the act of being together and sharing life.

Community support is a part of daily life for many other cultures, but American Christians often disregard how crucial this part of Muslim culture is. In America, our friends are our friends and church is church. Have you ever heard someone say "Oh, those are my church friends."? However, Muslims do not have this distinction. Community support is integral to how they live day-to-day. This lack of community among Christians is one obstacle that Muslims have to declaring faith in Jesus as their Lord and Savior. They know their community will reject them and the Christian community may not understand their need for more active fellowship.

Disciples of the Way works to bring the love of Christ into the homes of our Muslim neighbors. Please pray with us for God to open doors and hearts to the Gospel of Jesus Christ.

***"Live in harmony with one another.
Do not be haughty, but associate with the lowly.
Never be wise in your own sight."***

- Romans 12:16
