Sharing Thanks and Praise to Jesus before eating our Thanksgiving fellowship meal.

Grace to you and Peace from our Lord and Savior Jesus Christ!

At Thanksgiving, Disciples of the Way invited 34 refugee neighbors to come to a fellowship meal. We started with a time of gratitude where everyone was encouraged to share something they were thankful for. Many were thankful to be living in peace in America but also wanted to ask for prayer for relatives and citizens in their home countries. Refugees are displaced from their homes because of violence, war, famine, etc. Safety, security, and peace are prized by refugees because of the turmoil they have experienced.

Pastor Karim shared about the true peace that comes from Jesus Christ. We cannot have peace with each other until we have peace with God.

***"Therefore, since we are justified by faith,
we have peace with God
through our Lord Jesus Christ." - Rom 5:1***

On December 9th, DOW celebrated Christmas with our Mothers & Children Event for immigrant mothers with young children. As we are approaching Christmas, we hear the same story over and over again and we can become numb to the extraordinary birth of Christ and what that means for us all.

Muslims hear the Christmas story differently. Muslims believe that Mary was a virgin and that Jesus had no father as it is described in the Qur'an. They believe that Jesus was the greatest teacher and prophet. But Jesus is so much more. Jesus is the peace of God. He is the reason for safety, security, and hope in this world.

***"I have said these things to you,
that in me you may have peace.
In the world you will have tribulation.
But take heart; I have overcome the world."
- John 16:33***

God brought peace to us and now we can bring peace to each other.

***"Aim for restoration, comfort one another, agree
with one another, live in peace; and the God of
love and peace will be with you."
- 2 Corinthians 13:11***

Disciples of the Way Ministries Staff are living out God's peace for the glory of the Triune God. Through the witness of our lives of service, many refugees are experiencing the difference that the Holy Spirit makes in daily life.

***"I am thankful for
coming here and
seeing you because
the words you say
make me feel strong."***

- Meena from Iraq

***"I am thankful for the
diverse group here
and I hope this peace
be in all the world."***

- Hisham from Sudan
