*A Ministry of People of All Nations  
reaching out to People from All Nations*

## "Free Vaccine for Salvation: Jesus"

**Merry Christmas! Thank you for your faithful prayers and continual support during 2020. Driven by compassion for the lost, DOW missionaries have continued serving people from all nations by building Christ-centered relationships to make disciple-makers from all nations amid the challenges of this Coronavirus pandemic.**

### **Mother & Child Christmas Program**

Christmas is a time to reflect on the reason why Jesus came as a baby in a

manger. The Quran teaches about the virgin birth of Jesus as the son of Mary, not Jesus as the Son of God. Islam reveres Mary and devotes the longest chapter in the Quran to Jesus with many false stories, and it denies the very essence of our salvation: his death on the cross. This Christmas, we invited 14 mothers and 31 children to hear the true story of baby Jesus who came to die to save people from their sin. St. John's Tuesday Morning Bible Study Group sponsored and blessed the mother's with gift cards, and the St. John's Sewing Group made 31 adorable lap blankets for the children. MacArthur Blvd Church made and presented beautiful gift baskets to all the mothers.

## Coronavirus vs. "Sin-Virus"

Our Muslim neighbors are afraid of dying from Covid-19, and this fear has caused them to question the healing power and authority of Allah in this sinful world. Since Allah has kept silent, some ask sarcastically: "Why hasn't your Triune God or Three-times-God responded to your prayers and killed this Covid-19 Virus before it kills all the people on Earth?" What I say to them, I say to you all: "Dying from Covid-19 is not

*"They refused to obey and were not mindful of the wonders that you performed among them, but they stiffened their neck...But you are a God ready to forgive, gracious and merciful, slow to anger and abounding in steadfast love, and did not forsake them."*

I tell my Muslim friends every day, the reason why our Triune God has not allowed this Coronavirus to wipe out all

the worst thing that could happen to humanity, but dying without Jesus from the Virus of Sin is." So, do not delay to confess your sin to Christ, repent, believe, and be baptized before our Judge returns.

I also tell our neighbors that there is a good reason why God is delaying and urging us all to listen to his word. So, listen to these alarming words from Nehemiah 9:17:

humanity is because He killed Jesus-whose crucifixion they deny-on the Cross in order to save humanity from the oldest and deadliest "virus" that Adam passed to us all with the help of Satan. Therefore, let us not fear a virus that kills the body but cannot kill the soul, rather fear Him who can destroy both in Hell.

## Compassionate Relationships

Disciples of the Way trusts in the power of God's Word and the Holy Spirit to convert slaves of Allah into baptized children of the one true God. Many of our Muslim friends who come to our weekly Bible Studies started coming because they heard from their friends about our true compassion for people. They started coming for services at our Refugee Service Center (RSC) which helps DOW staff build relationships daily. We openly witness to the truth of Christ with our words and our lives. We find people who are spiritually open in these Christ-centered relationships. We make disciples the same way the church was built in the book of Acts, through teaching, fellowship, breaking bread, and prayer. Join us in praying that the Holy Spirit continues to add day to day those who are being saved.

***"And they devoted themselves to the apostles' teaching and the fellowship, to the breaking of bread and the prayers." - Acts 2:42***

**Disciples of the Way uses Acts 2:42 as a**

## model for our discipleship.

In September, a woman named Hope (in Arabic) was baptized into the faith and put her trust in Jesus Christ as her Lord and Savior. Hope came to DOW's Refugee Service Center for employment assistance and help with other issues. Over a period of two years, the RSC has helped and encouraged her to attend Bible Studies and events. She became involved with our ESL program and later our Bible Studies where she consistently heard the Gospel. Discipleship is a marathon not a sprint. Many of our neighbors are at different stages in their walk with Jesus.

***"And the Lord added to their number day by day those who were being saved." - Acts 2:47***

***Please Pray that the Holy Spirit will convert our neighbors fear of dying in faith that Jesus killed the "Virus of Sin" to save humanity by his death on the Cross and give us the hope of the resurrection now and forever, Amen.***
