**Let Your Light Shine!**

“Sewing Seeds Of Faith” Team at Disciples of the Way Ministry took a trip to a needy nursing home in Dallas on a cold Valentine’s weekend to bring warmth and love and give away “Comfort Blankets”. The purpose of this visit was to remind our neighbors of the Love Of God in Christ Jesus our Lord. They were all blessed to hear that God cares for them always and loves them not only on Valentine’s Day but every day.

***“That God so loved the World that he sent his one and only Son that whoever believes in him shall not perish but have eternal life” - John 3:16***

Our Muslim refugee neighbors and their children were also invited to see and hear DOW's missionaries pray for our elderly friends, not out of compulsion but out of Love and true compassion. The little children were very welcomed and very much enjoyed the love and the fellowship they received from the residents in the nursing home.

***“In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.” - Matthew 5:16***

DOW's 2022 "Comfort Blanket" ministry will focus on lap-blankets for nursing home residents. We will be visiting a different area nursing home each month to share blankets, fellowship, love and prayers with those residents. It also gives DOW a chance to witness and share God's love with our refugee volunteers, volunteer sewers, and their children, who also visit the nursing homes as the residents' love to see and talk with the children and their parents.
