"Hope in a Time of Uncertainty"

Disciples of the Way held a pre-easter celebration to prepare our neighbors to hear the story of Easter and the hope of the resurrection. This is the purpose of DOW: To make Disciples of the Cross for neighbors from All Nations. Our community of neighbors from all nations do not all believe that Jesus Christ, the Son of God, died a shameful torturous death for the redemption of the world from sin and death. DOW walks with and faithfully disciples our neighbors to remove all unimportant obstacles to faith, except the one stumbling block, the cornerstone of our faith: That Jesus Christ, the Son of God, truly died on a cross for the redemption of the world. So that we all can find our Hope in the time of the Resurrection.

"Jesus said to her,
'I am the resurrection and the life.
Whoever believes in me, though he
die, yet shall he live, and everyone who
lives and believes in me shall never die.
Do you believe this?'"

- John 11:25-26

Honoring Suzan Maroof for 15 years of Faithful Service!

At that celebration, DOW honored Suzan Maroof, originally from Kurdistan. Suzan, now a child of God, was DOW's first convert. **John 11:25-26**. She has faithfully served our Muslim community for 15 years. Suzan came to America as a refugee herself and has worked many different roles to give back and help other refugees gain independence and stability. Suzan has helped with interpretation and our women's ministry, as well as working in our sewing program and Refugee Care Center (RCC). Please keep Suzan and her family and all our refugee neighbors in your prayers.

Thrive & IRC are among the Non-Profit organizations who received Handmade Easter Purses made by our refugee women!

DOW welcomes a refugee from Iraq who has recently joined the sewing team to make purses to share as an Easter gift for all non-profit employees working in the 6500 building, (roughly 350 purses).

**In such a time of uncertainty
your prayers and support
bring Hope to the hopeless at
Easter time.**

Please consider supporting DOW's Sewing Ministry to employee and help sustain refugee sewers because of changes in governmental funds and assistance. The Gospel counts today and forever! Your urgent and generous support matters today more than ever. The times are changing. As we have mentioned in our previous letters, many other organizations that specialize in Refugee Assistance have furloughed or laid-off many of their employees. DOW and its ministries continue to help refugees access available resources and apply for jobs. However, in such a time of uncertainty, our Hope in the resurrection gives us the reason to carry on proclaiming the Gospel of Hope to all people through 2025 and beyond. **Matthew 28:19-20**
